Stella Maris celebrates college's 75th anniversary, I-Day

For Stella Maris College August 15 is particularly significant as it commences its 75 years of existence together with Independent India. As a part of the jubilee festivities, year-long events and activities are launched to celebrate women devoted to academic excellence and all-round development.

Dr Sr Rosy Joseph, Principal, Stella Maris College said on the occasion, "I would like to make an announcement regarding some special initiatives we have lined up for the jubilee year. They are: Online Certificate and Diploma Programmes from the Digital Learning and Research Centre, moving towards zero waste campus, Cloud-based ERP and Learning Management Systems (LMS), a skills-enhancement programme

for self-employment through outreach programmes."

Brig (Dr) G Himashree, Brigadier Medical, HQ Dakshin Bharat Area hoisted the flag. Former RBI Governor Dr C Rangarajan and Justice Prabha Sridevan (retd.) addressed the students on the occasion. To ear-mark the commencement of the 75th year, the College is releasing Postcards of the iconic structures of their campus which will be available in both black and white and colour.

The milestones of the College was presented. Sr Franchoise Massy, Superior General, Most Rev George Antonysamy, Bishop of Madras - Mylapore, and Dr Sr Francisco Nirmala fimm, Provincial, Chennai Province, felicitated the role of the institution in women education and empowerment.

He was honored at the installation programme of Rotary International - RI District 3232 new president held in Maraimalai Nagar. The award was presented by Kalaimamani Rtn SVRM Ramanathan for his tireless service in the field of Education, with special mention of his conscientious dedication, high standing excellence, and contribution.

British Council's 'Study UK Virtual Fair' on August 21

British Council, UK's international organisation for educational opportunities and cultural relations, is hosting 'Study UK Virtual Fair' on August 21. This semi-annual event is the most comprehensive one-stop source of information for studying in the UK, for prospective students and decision-makers. The Study UK Fair went digital in 2020 and the British Council organised two 'virtual' fairs in August and December, which together saw over 11,000 registrations. Over the last few years, UK has continued to be a preferred destination for Indian students.
