V.	<p>Read the news report given below and answer the questions that follow in 3-4 sentences each. (4x5=20)</p> <p>Crucial test for Rajini’s command over the box office</p> <p>August 09, 2023 11:37 pm Updated August 10, 2023 05:38pm CHENNAI THE HINDU BUREAU</p> <p>After two not-so-successful movies and after his decision not to enter politics, actor Rajinikanth’s film <i>Jailer</i>, produced by Sun Pictures and directed by Nelson Dilipkumar, which is set for a grand release on Thursday, appears to be an important test for the ‘Superstar’.</p> <p>If one goes by the number of advance bookings for the film, it seems that the 72-year-old veteran actor continues to have a magical hold over the audience. Sources in the film industry state that the film is set to release in over 900 screens in Tamil Nadu alone. Tiruppur Subramaniam, president, Tamil Nadu Theatre and Multiplex Owners’ Association, says Mr. Rajinikanth continues to be a big draw at the box office.</p> <p>“The advance booking is much better than his last two films though it cannot be said that it is comparable to the rush we experienced during <i>Kabali</i>. The film’s songs are a huge hit and that has also helped draw the crowds. Mr. Rajinikanth has also managed to draw in the younger audience, who did not grow up watching him. He has managed to hold his place at the box office,” he says.</p> <p>Many in the film trade think Mr. Rajinikanth’s stardom and his ‘image’ as a superhero suffered after his decision to quit politics due to health reasons in 2020. Mr. Rajinikanth made a grand announcement that he would enter politics in 2017, promising to reform the ‘system’ in Tamil Nadu. However, his plans were stopped by the pandemic, which prevented him from starting a political party and contesting the elections.</p> <p>Many are already saying that actor Vijay has overtaken Mr. Rajinikanth and has taken the number one spot at the box office. <i>Jailer</i> also releases in the middle of a debate over whether the actor still has it in him to command the numbers at the box office. His previous film <i>Annathe</i>, which released immediately after his 2020 announcement, did not do well at the box office. Given the uncertainty, unlike his previous films, <i>Jailer</i> will not have any early morning screenings.</p>	5	5

	(ii) From your reading of the report do you think <i>Jailer</i> will do better than <i>Kabali</i> ? What information in the news report helps you answer this?
