A marathon against drug abuse

were sportswomen and NCC cadets of the college, NSS volunteers lined the 5-km route with anti-drug abuse placards.

Drug abuse among the youth is a matter of great concern and the Anti Drug Abuse Club at Stella Maris has been working all through the academic year organising sessions, street plays and various competitions to drive home the importance of saying 'no' to drugs each time, every time, said a release.

The Anti Drug Abuse Club of Stella Maris College, which functions under the guidance of the Student Deans took the lead in organising

a marathon along with the Department of Commerce – Honours, on February 7 at Besant Nagar. The marathon was flagged off from the Olcott Memorial school

by Dr. Iyappan Ponnuswamy, Medical Director, Kavery Hospital. Dr. Ashwin Vijay of OJAS Health was the chief guest for the valedictory function.

The marathon was an all-women's event open to all students, faculty, alumnae and family members of current students.
