

Stella Maris Alumni meet

04th August 2011

CHENNAI: The Alumnae Association of Stella Maris College (AASMC) have decided to host their annual reunion get together August 15 at 11am in Room F2-1 in the College.

The AASMC saw a revival 14 years ago when the alumnae began taking active interest in college activities. Today the alumnae runs the Career Guidance Cell (CGC) which offers training programmes, organises campus interviews and helps in several ways to improve the job prospects of out going students.

The alumnae also helps in raising funds for new buildings in college. The alumnae Student Support Fund helps students for examination, excursion and semester fees and the Alumnae Kalanjiyam organises talks and discussions with people from different walks of life for alumnae members.

The Stellar News the AASMC bi-annual newsletter, has interesting articles and stories by alumnae members.
