

STELLA MARIS COLLEGE (AUTONOMOUS)

Ready to take charge

The college is an autonomous institution and is affiliated to the University of Madras. It is run by the Society of the Franciscan Missionaries of Mary, a religious congregation founded by Blessed Mary of the Passion (Helene de Chappotin) in Ootacamund, Tamil Nadu in 1877.

We aspire to place the college on the global map for its high quality, well-developed academic programmes, research activities and student services

Dr Sr Jasinth Quadras fmm, principal

The college is committed to serving the economically and socially marginalised sections of society and provides university education in a Christian atmosphere for students, especially those belonging to the Catholic community. Admission is open to all, irrespective of caste and creed, and their rights of conscience are respected.

The college motto, 'Truth and Charity', has been the foundational philosophy of the quest for a value-based education. In keeping with its mission, the college promotes inclusive practices in the implementation of its academic programmes, taking into account learning differences and the special needs of the differently-abled.

The vision of the college is to build a vibrant and inclusive learning community in a culture of excellence sustained by a sound value system that promotes responsible citizenship and effects social change.

The mission of the college is to empower young women to face the challenges of life with courage and commitment, to be builders of a humane and a just society.
