Four new programmes at Stella Maris

Principal Dr Sr Jasintha Quadras recently presented the annual report which covered the year's achievements of both faculty and students of Stella Maris College. This academic year, the college introduced four new programmes – BSc psychology, BBA, and two programmes under the BVoc degree: food processing and quality control and sustainable energy management. The chief guest was Ashok Sajjanhar IFS (retd.), President, Institute of Global Studies, New Delhi, and former Ambassador of India to Kazakhstan, Sweden, and Latvia.
