ORIENTATION PROGRAM FOR THE UNION MEMBERS

AND HOSTEL STAY

The Orientation program for the academic year 2018-19 started with Sr. Christine delivering a speech on leadership, emphasizing on commitment and unity. She highlighted the importance of God in one's life. She drew attention on women empowerment and the need for education that resulted in the evolution of Stella Maris into an autonomous college. The vision and mission of Stella Maris was explained in detail. The second session was handled by Mr. James, a soft skill trainer. He spoke on Leadership and the responsibilities of a leader. The continuation of the second session started with an activity enabling skills on decision making, selflessness and sacrifice. He conveyed the important fact that responsibility can only be gained through love for work, dedication and commitment. In the following activity he pointed out that humanism, communication, discipline and order are the optimistic principles of an emerging leader. Approachability, appreciation, recognition, and effectiveness are the qualities of a successful leader. This was followed by a meeting of the union members for discussing on the logo for the current year. On the second day, Sr. Nirmala, Dean of the college initiated the session with a speech on history and establishment of Stella Maris college. In the year 1987 the college gained autonomous status and various glories and achievements followed. Sister also spoke on the core principles of FMM Sisters and the values and life of our patron, Blessed Mary of Passion. Mr. Steven, the trainer spoke on effectiveness and challenges of leadership and the various methods to achieve the same. Activities were conducted to help us discover the purpose, aim and goal of a leader. A set of videos were played to understand the meaning of the questions of *How*, *Why* and *What*, enabling us to achieve a clearer goal of what is expected of us this year. The next session covered topics on how to face challenges and problems through tolerance, acceptance and patience. The entire session was summed up setting our future goals for the tenure. The union members had a bonding session by getting to know each other better personally and events for the year was chalked. On the third day, the meeting with Deans of Student Affairs took place and the union members presented the logo and academic calendar for the year 2018-19. The initiatives were appreciated and further improvements on the logo was suggested. We weighed various comments and opinions while preparing a road map for future works.

STUDENTS' UNION 2018-19

LOGO AND SOCIAL THEME

The logo features a snapping finger with a spark around the concentric circles. The tagline attached to the logo is “IGNITE - DISCOVER THE FIRE WITHIN”.

The spark symbolizes the glint which exists within the souls. Ignite! This word itself symbolizes the spark to illuminate the fire that lies within. The tagline indicates to discover the purpose and potential of every student.

Snapping finger denotes that the snap is enough to create that spark. Just like the spark which creates the fire, the Students' Union 2018-19 creates new milestones, new discoveries that awaits everyone to find their way and allow oneself to snap into the world of brightness. As Stella Marians, the Student Union 2018-19 assures that the spark will enhance the environment, the society and most importantly, oneself. A positive start is sure to radiate into something magical. A snap of the finger is enough to radiate into numerous waves of fire strong enough to compete with the rest of the world. The world being a plethora of all colors, will always expect more for all times to come.

YOUTH SKILLS PROGRAM

As part of its initiative, the Students' Union 2018-19 enforced the Youth Skills Program (YSP) for the academic year 2018-19. Similar to the Language Partnership Program (LPP) in college which reaches out to students in need of help with the English language, the Youth Skills Program aimed at reaching out to all students who wished to develop their skills in fields pertaining to performing arts, namely light music, western music, western dance, folk dance, classical dance and dramatics. This initiative was mainly to cater to the students who do not get selected into clubs and therefore, a platform for them to improve their skills.

The YSP comprised of 10 classes per semester, with each class being conducted for a duration of one hour (tentatively, 11:30am to 12:30pm for students of shift 2 and 1:30pm to 2:30pm for students of shift 1). The classes were conducted by student trainers who belonged to the specific clubs and a set of prescribed syllabi was followed during the course of the entire program. A nominal fee of Rs.100 was charged from each student who registered for the YSP in a bid to encourage all students to take part in it. Attendance was taken for all the classes and certificates was provided to the student learners only if she has attended a minimum of 8 classes with attendance of 85%. The student trainers and learners will receive their certificates for having completed the program on the same day.

ART CLUB

The Students' Union 2018-19 proposed the idea for the formation of a new club called the 'Art club' in college. The aim for the establishment of an Art Club in Stella Maris was to lead artists in college to come together and form a guild, to collaborate with each other's efforts, and to enhance their skills and to participate in intercollegiate events.

The following were the objectives of the club:

1. To help artists from across all departments to showcase their skills on unexplored platforms.
2. To encourage students from all departments to participate in art competitions within and outside college.
3. To collaborate with the Students' Union and the Event Management Club by providing creative and artistic assistance.

This initiative was appreciated, approved and forwarded to the incoming Students' Union 2019-2020 to officially introduce a new 'Art Club' on Stella Maris College campus.

CLUBS WEEK

As part of the initiative the Students' Union 2018-19 organized the "Clubs week" with each club as opposed to those involved in the Youth Skills Program getting a week's time to showcase their talents and skills by organizing various workshops, competitions and activities for students. The goal of Students' Union 2018-19 is to involve all the students and give due credit to achievers from all fields.

LOGO UNVEILING

On 3 July, 2018, the Students' Union 2018-19 logo and the tagline was unveiled by our Principal Dr. Sr. Rosy Joseph. The logo for the year is to create a spark within the souls and to "Ignite" with the tagline "Discover the fire within". The social theme for the year was to bring inclusiveness among all the students and the Union considered this day to be a perfect platform to launch the Youth Skills Program in college, this initiative was to help the students explore the spark and excel in it.

Another initiative was to organize the Clubs Week where each club gets an opportunity to showcase their talents during the break time. The Union members reflected on the importance and meaning of the logo.

IGNITE- WORD AND TAGLINE

A spark, a twinkle, a glint of what exists within the souls. The purpose, the potential and the pride for what everyone is meant to be. Ignite! That one spark to illuminate the fire that lies within everyone. To discover what existence within oneself. All great things do not come in a bird's eye view. A dig into the nest of reality is what will reveal that a new existence lies beneath it. So, the tagline Ignite! Discover the fire within.

LOGO- SNAPPING FINGER

Just that snap of the finger is enough to create that spark. To set the fire is not all that tough if one choose to let it light up. A new idea, a new milestone, a new discovery awaits one's way if they allow oneself to snap into the world of brightness! And the Stella Marians are sure to find the way through it, if one choose to be that spark. The spark, to enhance the environment, the society and most importantly, oneself.

LOGO- CONCENTRIC CIRCLES

A positive start is sure to radiate into something magical. A snap of the finger is enough to radiate into numerous waves of fire strong enough to compete with the rest of the world. The world being a plethora of all colors, will always expect more for all times to come. Lighting up the spirit to be the best at what one does, is what will help in creating a world where color will be regarded as the primary color.

As part of the Students' Union initiatives three programs were introduced,

- **YOUTH SKILLS PROGRAM**

As part of our initiative to ignite the spark within all the Students' Union 2018-19 launched the Youth Skills Program, the YSP. Under this program, student trainers belonging to various schools of art from the performing clubs in our college will conduct sessions for interested learners. The aim of the program is to make this an inclusive initiative where everyone gets to find out and explore their true calling, be it in music, dance.

- **CLUBS WEEK**

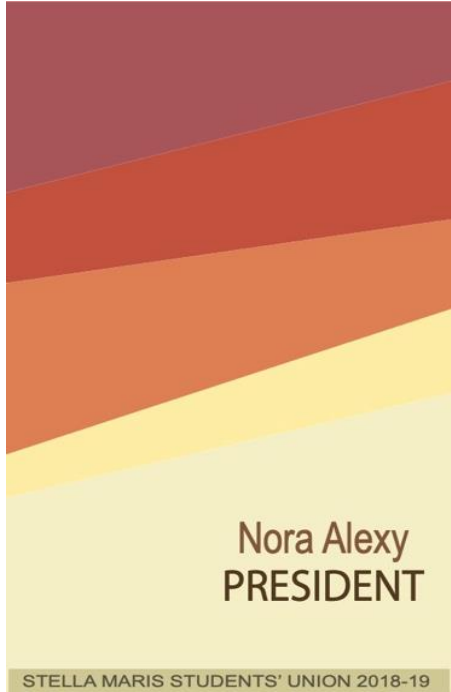

As part of our initiative we organized the "Clubs week" with each club as opposed to those involved in the Youth Skills Program getting a week's time to showcase their talents and skills by organizing workshops, competitions and activities for students. This is to again involve all students and give due credit to achievers from all fields.

- **ART CLUB**

The Students' Union 2018-19 planned to introduce a new club from academic year 2018-19, called, "the art club". This is in a bid to create a platform for all aspiring artists from across all departments to showcase their skills. Apart from participating in art related events outside college, the art club will also play a major role of being a right hand to the union in all their endeavors. This was approved and forwarded to the incoming Students' Union 2019-2020 to officially introduce a new 'Art Club' on Stella Maris College campus.

CHRISTMAS CELEBRATION

The Students' Union 18-19 took the initiative to spread the joy of Christmas by organizing fun activities over a week from 18 – 22 December 2018. An interdepartmental carol competition was held in which the department of Chemistry won the first position. A card making competition was held in which students were invited to design handmade Christmas cards. This received an overwhelming response from students who showed their skills through creative designs. In order to bring in the spirit of Christmas, the students union collected presents from the students who wished to gift their friends and handed them over in their respective classes.

On the last working day there was a program held to share the spirit and spread the message and greetings of Christmas. An energetic cultural performance was showcased by various clubs – classical dance, western dance, mime, light music and western music and the program concluded with the carols.

INTER- COLLEGIATE CULTURAL EVENT – AQUILAE 2.0

AQUILAE 2.0: INTER-COLLEGIATE CULTURAL COMPETITION

Aquilae 2.0, the Annual Inter-Collegiate Cultural Competition of Stella Maris College was brought back after a gap of four years by the Students' Union 2018-19. The Competition was renamed as 'Aquilae 2.0' as opposed to the previous name 'Aquilae', the '2.0' signifying that the fest would be held on a bigger and better scale than ever before.

A total of eight colleges were invited for the Competition namely, MOP Vaishnav College for Women, Ethiraj College for Women, Women's Christian College, Loyola College, Madras Christian College, Guru Nanak College, Patrician College and Justice Basheer Ahmed Sayeed College for Women. The registration was restricted only to participants from the invited colleges.

There were totally four events conducted as part of the Aquilae 2.0. These were Group Dance, Group Music, Split Screen and Adzap. The event began with the Inauguration ceremony with a prayer by Vice Principal, Dr. Agnes Rozario and the event being declared open by Sr. Susan, Secretary of the college. The first event was Group Dance and it began with a host performance by the Western Dance Club (Theme team) depicting the theme of Cancer through their dance.

Having set a high benchmark for the participating teams, the Group dance event saw participants from Women's Christian College, Madras Christian College and Justice Basheer Ahmed Sayeed College for Women. All the teams presented enthralling performances which was well appreciated by the audience. The first place was bagged by Women's Christian College who presented their performance along the theme of Child Labour. The second and third places were bagged by Madras Christian College and Justice Basheer Ahmed Sayeed College for Women respectively. To mark the end of the Group Dance event, the Western Dance Club (non-theme) and Folk Dance Clubs of the college presented enthusiastic performances.

The next event in store was the Group Music event where a lot of colleges participated since two teams were allowed per college. These colleges included Patrician College, Women's Christian College, Ethiraj College for Women, Justice Basheer Ahmed Sayeed College for Women, Loyola College and Madras Christian

College. The event's benchmark was set very high through excellent performances showcased by the Light Music and Western Music Clubs of the college. Following this, unique performances by the colleges were witnessed by the audience. The first place was bagged by Ethiraj College for Women and the second place was bagged by Women's Christian College.

The third event for the day was Split Screen. This event was a fun-filled event which gained acclaim from students from other colleges for being a very unique event which they hadn't witnessed or participated in before. The host performance for this event was presented by the Classical Dance Club of the college. After the fun-filled host performance, the participants from various colleges showcased their performances. Colleges which participated included Justice Basheer Ahmed Sayeed College for Women, Patrician College, Loyola College and Guru Nanak College. The first and second places were bagged by students from Patrician College.

The final event for the day was Adzap which yet again saw participants from colleges like Guru Nanak College, Justice Basheer Ahmed Sayeed College for Women and Madras Christian College. This was yet again a fun-filled and exciting event since each college has a unique way of representing their talent. The first place was bagged by Guru Nanak College and the second place was bagged by Madras Christian College.

Certificates were awarded to all prize winners of all events. The winners of the first place received a cash prize along with certificates and the winners of the second place received vouchers along with their certificates. In addition to events being conducted, various food stalls were set up on campus and it was an atmosphere filled with fun and frolic. The title sponsor for Aquilae 2.0 was M.C.R Textiles Private Limited and the event was co-sponsored by Veni Packers and Zebronics. The hospitality sponsor was Adyar Anandha Bhavan Sweets and Snacks.

As a whole, the comeback of Aquilae 2.0 this academic year 2018-19 was a welcoming introduction and has set the stage for it to be conducted in a larger scale from the next academic year. Brilliant talent was displayed in this edition of Aquilae 2.0 and more eventful editions of Aquilae 2.0 are expected to follow since the benchmark for the same has already been set.

The performing clubs on campus presented their talent at the OAT, and some non-performing clubs conducted workshops on topics relevant to their club.

The performing clubs were given a maximum time limit of five minutes on stage and all clubs presented enthralling performances. These clubs were namely, the Light Music Club, Western Music Club, Mime Club, Dramatics Club, Classical Dance Club, Folk Dance Club, Western Dance Club (Non-theme team) and the Western Dance Club (Theme team).

The Light Music Club performed a medley of songs composed by music directors like A.R Rahman and Ilayaraja and this was the same performance that the

members had presented at Inter- Collegiate Cultural Competitions. This performance was well appreciated.

The Western Music Club performed a fusion of English and Hindi songs and presented a very unique style of singing. This performance was the same one that the members of the club had presented at various Inter-Collegiate Cultural Competitions and had won prizes. The performance was enthralling and received huge appreciation.

The Mime Club presented a short and sweet performance on the life of a college-going student. This performance was filled with chirpy acting, exciting music and was overall a fun performance to watch.

The scene which was depicted was that of Moyna a character from writer Mahaswetha Devi's works meeting the contemporary character 7-year-old Asifa who was brutally raped. The performance was extremely emotional leaving the audience completely awestruck as the atmosphere had been set with excellent acting. A special aspect to note is that, this is the first time the Dramatics Club performed on the OAT stage as part of Horizon.

The Classical Dance Club presented a very interesting performance depicting a fusion of Bharathanatyam with Kathakali, the traditional dance form of the state of Kerala. The members of the club had choreographed this wonderful performance themselves after hours of practice thus providing a platform for aspiring choreographers to showcase their skills of choreography through this performance.

The Folk Dance Club presented an enthusiastic performance depicting the local dance form of the state of Tamil Nadu. This performance was the same performance that the members of the club had presented at Inter- Collegiate

Cultural Competitions. This was yet again a very entertaining performance which was thoroughly enjoyed by the students.

The Western Dance Club (Non-theme) performed a classic performance depicting the dance style of Hip-Hop. The performance was the same one that had won awards and accolades for the club at various Inter-Collegiate Competitions. The performance stood out and was enjoyed by the audience.

The Western Dance Club (Theme team) presented an emotional performance on the theme of Cancer. The dance style depicted was Contemporary and the same performance won awards and accolades for the club at various Inter-Collegiate Cultural Competitions. The performance contained an important social message and was highly appreciated by the audience. The non-performing clubs include, the Debate, Quiz and Current Affairs Club, Damini Club, Enviro Club, Stellaeidoscope, Photography Club and Event Management Club. The clubs which conducted workshops included the Dramatics Club, Damini Club, Debate, Quiz and Current Affairs Club and the Photography Club. Registration fee not exceeding hundred rupees was collected and the workshops witnessed enthusiastic participation from students. The participants of the various workshops were awarded with certificates designed by the clubs themselves. The overall experience of Horizon (Club Day) was an enriching one, not only for the students participating but also for students and teachers who witnessed the hard work of all the clubs on campus for the entire academic year. The event was well appreciated by the audience who witnessed the endless and amazing potential of the clubs. CLUB ACTIVITIES- ACADEMIC YEAR 2018-19

The clubs have been an important part of the Students' Union 18-19 activities and this year, the clubs were focused on being active and promote inclusiveness among the students. The following are the activities conducted by the clubs this academic year.

Classical Dance Club:

The goal of the Classical Dance Club for the year 2018-19 has been to lay emphasis on the multiplicity of Indian Classical dance forms, provide a platform for the students to familiarize with classical dance forms apart from Bharatanatyam, to come up with choreographies by the aspiring student choreographers fusing the myriad dance forms and music from different parts of the country and adding innovative elements to it while adhering to idea of classicism. The Club's performances this year, in and outside college, were not just limited to Bharatanatyam but styles including Mohiniyattam, Kathakali, Kuchipudi and Odissi.

Some of the notable events where the Classical Dance Club showcased their performances include the Freshers' Welcome day, Teachers' Day, Foundress Day, Christmas Celebrations, Aquilae 2.0 (Inter-collegiate Cultural Competition) Horizon (Club Day) and College Day where they depicted different classical dance styles with themes.

The Classical Dance Club was selected in the Inter- College auditions for the Republic day programme organised by the Government of Tamil Nadu. After almost a month of intense rehearsals , the team in collaboration with the Folk Dance Club performed on 26th January 2019 at the Marina for the programme presided by the Chief Minister of Tamil Nadu and the Governor. The dancers received the third place and special mention for their performance.

Apart from within college events, the club has also actively taken part in Inter-Collegiate competitions. The Club came Second at MCC's Aurora 2018, at the LIBA Fest, Loyola College and at Womens' Christian College Inter-College Cultural Fest. The members of the club have also performed at various sabhas in

This academic year of 2018-19 saw the Classical Dance Club bag the 'Best Club Award' on the Annual Union Day celebrations held on March 23, 2019. The office bearers were presented with the rolling trophy by the Principal.

Enviro and Paw Pals Club:

The main aim of the Enviro and Paw Pals club has been towards conserving the biodiversity and promoting ecological peace not only within the college campus but also in our society. A club workshop on sustainable environmental practices and future endeavors was conducted on 23 July 2018 which was followed by the plastic-free campus initiative in the month of August and the World Beach Clean-up- Chennai in September. The activities of the clubs week, a new initiative by the Students' Union were also conducted in November 2018.

The events for the second semester began with the making of laminated sheets that would be used to label the dustbins in college to facilitate waste segregation. Cardboard posters with various slogans promoting the disuse of plastic were tied to the trees on campus during the college Christmas fête to promote eco-friendly practices on campus.

A few of the members participated in the 'Friends of Chennai' wall painting initiative at the Kodambakkam sewage treatment plant in December 2018. Apart from these, the usual activities of the Enviro Club include docent work at the Madras Crocodile Bank Trust, and volunteering at Blue Cross, Chennai.
